Iberia
Restaurant

*...é o nome atribuído à
Península que compreende
Portugal e Espanha.
O nome vem dos primeiros
habitantes, os Iberos,
e, ainda nos nossos dias,
continua a designar
toda a área localizada
desde a parte Leste de Espanha
até à Costa de Portugal.*

*...is the ancient name for
the Peninsula that included
Portugal and Spain.
The name came from its
early settlers, the Iberians.
Even in our days,
we recognize the
Iberian Peninsula
as the territory which is
from the eastern part of Spain
to the far Coast of Portugal.*
